INTEGRATE YOUR JOOR ACCOUNT WITH AIMS360

AIMS360 is a cloud-based, fully integrated order and production processing system for fashion manufacturers, wholesalers, importers, and distributors.

With a JOOR-AIMS360 integration, you can:

- **Automatically Sync Your Data Between AIMS360 and JOOR**
 - Customer data, style data (including linesheets and images), & inventory levels automatically transfer from AIMS360 to JOOR.
 - Order data automatically transfers from JOOR to AIMS360.
- **Receive Frequent Data Updates**
 - Data from AIMS360 to JOOR is updated every 2-15 minutes, based on your specific needs.
 - Orders data is sent from JOOR to AIMS360 every 15 minutes.
- **Set Up Quickly and Easily!**
 - Simply activate the integration to push your data to JOOR within the AIMS360 settings screen.
 - Sync data seamlessly (AIMS360 data fields are already mapped to JOOR's data fields).
 - Detailed user guide with step-by-step instructions.
 - Dedicated support from JOOR Integrations and your Customer Success Manager.
